ZoneAlarm Pro Antivirus + Firewall is an award-winning security solution with two complementary apps. It is the first and only standalone product to offer simultaneous network, email, and web security, and the only solution designed specifically for the protection of Windows Vista. The ZoneAlarm Antivirus + Firewall suite, which is designed to act as a complete and well-integrated security solution, is one of the most reliable security tools available. ZoneAlarm Antivirus + Firewall is a complete security solution which is designed to protect your PC against Internet dangers. The suite comprises two tools that work in tandem to detect and remove malware, protect your system against viruses, and block hacker attacks. This powerful combination of two tools, together with integrated firewall and spam protection, is why ZoneAlarm Pro Antivirus + Firewall is one of the most popular security suites today. The present invention relates to a vehicle headlight and more particularly, to a vehicle headlight which improves the efficiency of illuminating the light source. With reference to FIGS. 4, 5 and 6, a conventional vehicle headlight 100 is shown. The vehicle headlight 100 includes a light source 110 and a reflector 120. The light source 110 includes a light emitting diode (LED) 110a and a light source circuit 110b. The light source circuit 110b receives a voltage inputted from an electrical power source (not shown). The light source 110 emits a light beam when the light source circuit 110b receives a voltage from the electrical power source. The reflector 120 is disposed on an upper portion of the light source 110. The conventional vehicle headlight 100 includes a clip member 130 which is mounted on an upper end of the light source 110, and a fastening member 140 which is mounted on a lower end of the light source 110. The clip member 130 and the fastening member 140 are fixed to a housing (not shown) of the light source 110. The clip member 130 includes a first portion 132, a second portion 134, and a connecting portion 136. The first portion 132 has an annular shape which is mounted on the upper end of the light source 110. The second

What's New In?
